### **Identification of new tourist spots**

697. SHRI N.R. GOVINDARAJAR: Will the Minister of TOURISM be pleased to state:

(a) whether Government plans to regenerate tourism as viable activity and a revenue earner for both public and private sectors;

(b) if so, the details thereof;

(c) whether Government propose to identify more tourist spots in the country and to promote them abroad; and

(d) if so, the details of the tourist spots identified, State-wise and steps taken by Government to develop the same?

THE MINISTER OF TOURISM (SHRIMATI AMBIKA SONI): (a) and (b) The existing Tourism Policy of the Government already recognizes tourism as a major engine of economic growth, income creation and employment generation in the country both in the public and private sector. The schemes of the Government have been designed to achieve these broad policy objectives and thus increasing revenue through increased tourist arrivals.

(c) and (d) The Ministry of Tourism identifies and prioritizes projects for development of infrastructure in tourist destinations/circuits in States/UTs in consultation with them every year. In order to develop these projects, the Ministry of Tourism extends Central Financial Assistance to States/UTs concerned based on the detailed proposals received from them. The State-wise such tourism infrastructure projects prioritized for the year 2006-07 are given in Statement-I (See below). The State-wise Central Financial Assistance sanctioned and released for the projects during the current financial year based on the proposals received is given in Statement-II (See below). The promotion of India tourism abroad is an on-going activity which is being achieved by an effective modern and competitive marketing strategy through electronic, print, press, and other media to position India as a unique destination in the international market.
